OTHER STUFF TO KNOW: This event is an opportunity to foster improved soccer skills and knowledge. It is primarily meant to be light-hearted and fun for players, coaches/managers, referees (who might be really young!) and spectators alike. We request good sportsmanship from all, and thank you in advance.

A MANAGER from one of the teams is to REFEREE each match. All matches are played with a size 3 Ball
Match duration is 1 x 20 min for all grades with no half time breaks. Managers can do their own if required and change ends on whistle.

- A match is played by **two teams** consisting of **no more than SIX players**, one of whom is the **goalkeeper**.
- **MAXIMUM** number of substitutes permitted is **FOUR** with unlimited interchange during the match (ie a player who has been replaced may return to the field at any time as a substitute for another player).
- Players entering or leaving the pitch must do so at their own substitution zone only after the player leaving the pitch has crossed over the touch line. Goalkeeper may change places with any other player.
- When the ball goes out of play over the sideline there will be a place kick from the point where it crossed the line with 4 secs to play back in once ball is placed on line and defending team is 5m away.
- A goal **MAY NOT** be scored directly from a **side line kick**.
- A goal **MAY NOT** be scored by a player within the **penalty area** unless directly from a **header**. **Goals scored within the penalty area** other than from a header will be **disallowed** and a **free kick** awarded to the **other team** from where the infringement occurred.
